

WELCOME TO FORT BRAGG, NORTH CAROLINA “Home of the Airborne”

Our corporate vision first in Soldier and family support services sets the standard for a team oriented approach to excellence in customer service. It is our hope that your first stop upon arrival will be ACS.

The ACS Mission is to provide commanders, Soldiers, and family members with programs and services in a centralized location to enhance the quality of life.

It is the goal of the entire ACS staff to provide professional customer service with genuine care while allowing you to utilize all the resources available to you.

Sincerely,

Barbara Trower-Simpkins
Director, Army Community Service

For over half a century, first as a camp and later as a post, Fort Bragg has had a proud heritage as home of the nation's finest fighting forces. As one of the largest military complexes in the world, Fort Bragg is home of the Army's only airborne corps and airborne division, the elite “Green Berets”, and the Army's largest support command.

Although the units and men and women here have widely different missions and jobs, they are here for one purpose -- to be ready to defend the nation. Infantry - men, mechanics, pilots, cooks, -- they are all on the move with the modern Army at Fort Bragg.

Much like a large city, Fort Bragg has its own supermarkets, shopping malls, medical facilities, neighborhoods, and churches. The important thing to remember is, not only are all of these things available, but the people here really want to serve you.

If you like sports and recreation, you're in a great place. Almost every type of recreation and athletics is available. Golf courses, pools, lakes, bowling lanes, hunting fields, craft shops, and much more are all around you.

The Atlantic to the East or the Smokies to the West combines to offer total variety for the traveler. There is plenty to see and do on a short weekend or a month's leave -- in North Carolina.

So welcome to Fort Bragg -- may your stay be enjoyable and your tour of duty professionally rewarding. The **ANSWERS UNLIMITED** is an informational booklet published since 1975. It is compiled and prepared by Army Community Service in the interest of all Fort Bragg Soldiers, family members, civilian employees and community members. The Army Community Service staff and Volunteer Corps would like to thank all individuals who contributed to this issue. The ANSWERS UNLIMITED will be updated annually, each time adding information that you, the military community, have requested or provided.

Every effort has been made to provide accurate and current information as of **March 2007**. However, we recommend calling to verify location and hours of operation before visiting an agency. To provide any changes or corrections please contact Army Community Service;

XVIII Airborne Corps Training Holidays:

Dental Clinics or DENTAC on Fort Bragg are open on most all XVIII Airborne Corps Training Holidays with the exceptions of Memorial Day, Independence Day, Thanksgiving and Christmas. Watch the Paraglide for Closure announcements. Also, the clinic will post on its doors where to get emergency treatment whenever they are closed during normal duty hours.

Emergency Care: After hour's dental emergencies, will be seen at Womack Army Medical Center (WAMC) Oral Maxillofacial Surgery Clinic by dentist-on-duty (DOD). All dental emergencies report first to the Emergency Room (ER). The ER staff will then direct your care to the Oral Maxillofacial Surgery Clinic. During duty hours, dental emergencies will be seen at the sponsor's assigned dental clinic to relieve pain and correct acute conditions.

Special Services: The Dental Activity (DENTAC) offers the Infant Oral Care Program to Active Duty Family Members. This program teaches parents how to take care of their child's teeth. The program is offered monthly and is announced in the Paraglide. If you would like more information, contact Pediatric Dentistry located at Womack Army Medical Center, 907-8705.

Active Duty Soldiers receive full dental care. An examination is required yearly. Soldiers should report to their unit's assigned clinic for examination. Follow-up care is by appointment.

Active Duty Family Members The Department of Defense (DoD) TRICARE – Family Member Dental Plan (TFMDP) provides a comprehensive dentistry benefit plan for active duty family members. United Concordia Companies is the dental insurance. Once the form is completed and appropriate premiums are deducted from your payroll account, enrollment information is entered into the Defense Eligibility Enrollment Reporting System (DEERS) and sent to United Concordia so that your claims can be processed. Coverage is effective the first day of the month after the month in which a sponsor enrolls and the proper premium is deducted for his/her payroll account – this deduction should be listed on the sponsor's Leave and Earnings Statement (LES).

Note: Completion of a TRICARE medical enrollment form **does not** enroll family members into the TFMDP. For family members to be

Armed Forces Emergency Service Center

1-877-272-7337 (toll free) 24 hours a day

Hours of Operation: Monday - Friday 0800 - 1630

Services Provided: American Red Cross serves as an important

link between the military and civilian worlds. They provide emergency communications between Soldiers and their families as well as a reporting service for emergency leave, personal, and other family problems. To initiate an emergency message, civilian family members need to call their local Red Cross chapter and give the Soldier's name, rank, social security number, and unit. The message will be sent via their national messaging center, and the center will contact the Soldier's Commanding Officer. Soldiers can directly contact the National Messaging Center to inquire about the status of a Red Cross message. Emergency Leave and Army Emergency Relief (AER) are usually unavailable without Red Cross validation. Please contact the Red Cross if you have further questions or would like to schedule a briefing for a Family Readiness Group or a Pre-deployment Meeting.

American Red Cross also provides traditional Health and Safety programs. Such courses include First Aid, CPR, Water Safety, Baby-sitting Certification, and Disaster Management classes. The ARC receives **NO** government funding and is entirely sponsored by volunteer contributions.

Volunteer Opportunities: The Red Cross offers a myriad of volunteer opportunities. ARC averages upwards of 400 volunteers who annually donate more than 70,000 hours a year of service. Volunteers aid in the Ft. Bragg office, as well as at Womack and the outlying clinics on Ft. Bragg and Pope AFB. ARC offers monthly orientation sessions. There is also a youth volunteer program.

WOMACK ARMY MEDICAL CENTER

Womack's Internet Address For Current Information:

<http://www.wamc.amedd.army.mil>

Welcome to Womack Army Medical Center. We are here to serve the medical needs of active duty service members, their families, retirees and their families. We want this to be an easy process for you to access healthcare on Fort Bragg.

Step 1

Update your information in the DEERS (Defense Enrollment Eligibility Reporting System) Database. You can do this by calling **1 – 800 – 538 - 9552**, or by visiting the post ID Card Facility, which is located off Normandy Drive and can be reached by calling **910 – 396 - 9339** or online @www.dmdc.osd.mil.

Step 2

Enrolling in TRICARE

Eligible beneficiaries may call **1 – 877 - TRICARE** to request an enrollment packet or stop by the TRICARE Service Center (TSC) weekdays between 0730 and 1630. TSC is located at Womack Army Medical Center, on the first floor by the Emergency Department. You may also enroll at your clinic.

TRICARE Options

TRICARE Prime is the only option active-duty family members, retirees and their families who are not Medicare eligible need to enroll in. Active-duty family members are automatically enrolled after filling out the enrollment form. Active-duty family members do not have an enrollment fee. Retirees pay \$230 per year for themselves or \$460 for the entire family to receive healthcare.

TRICARE Extra saves money but it limits your choice of providers. You may only use authorized civilian providers. The Healthcare Finders at your clinic can tell you if a provider is in the network. There is no enrollment process for TRICARE Standard or TRICARE Extra.

TRICARE Standard offers the most choice of providers at the highest cost. Family members and retirees pay current deductibles and cost shares.

TRICARE for Life (TFL) is a permanent program funded through the DoD Medicare – Eligible Retiree Health Care Fund, resourced with general revenues of the U. S. Treasury and annual contributions from appropriations. TFL doesn't require annual authorization by Congress.

Eligibility for TFL:

- Medicare-entitled uniformed services retirees
- Medicare-entitled retired guard members and reservists
- Medicare-entitled family members and widows/widowers
- Medicare-entitled unremarried former spouses who meet TRICARE eligibility requirements

Step 3

Clinic Enrollment

Active duty service members are assigned to primary care clinics based on their unit designation. Their families will be assigned to the same clinic after they are enrolled in TRICARE Prime. Our primary care clinics are your entry point into the healthcare system. You are strongly encouraged to visit your primary care clinic for clinic orientation and in-processing.

Medical Records

Medical records will be kept at your clinic. This enables us to keep them updated and periodically reviewed to ensure you receive quality care. The records section of each clinic must receive a signed patient consent form for all patients 18 years of age or older before medical records can be signed out to another adult.

Records will be delivered to specialty clinics for all scheduled appointments. Patients will no longer need to pick up their records from their primary care clinics prior to specialty appointments. We ask all patients who have their records in their possession to turn them in immediately. For more information, call the Patient Administration Division at **(910) 907 - 7179**.

As a patient, if you experience any problem, please ask to speak to the Non-Commissioned Officer in Charge (NCOIC), the Officer in Charge (OIC) or ask to speak with the clinic administrator. We understand the military healthcare system and we want you to have a pleasant experience. If you identify a problem, let us know and we will be happy to provide a solution for you.

ACCESSING CARE AFTER HOURS

Healthcare Advice Nurses

Patients enrolled in Womack Family Practice, Clark, Joel and Robinson Health Clinics should call their clinic to speak with a healthcare advice nurse. If your clinic is closed, you may call the advice nurse at **907 - NURS (6877)**.

The advice nurse can help you by doing the following:

- Prescribe home healthcare
- Assist in obtaining medication
- Making same day appointments

THE ACUTE MINOR ILLNESS CLINIC

The Acute Minor Illness Clinic located adjacent to the Emergency Department is open 1600 – midnight, Monday through Friday and from 0900 to 2100 on holidays, Saturdays and Sundays. The clinic is designed to bridge the gap between routine care, which should be sought in the patient's own primary care clinic, and the Emergency Department. The AMIC will offer same day evaluations for illnesses that are acute, but not urgent.

The number of appointments in the AMIC will be limited, so beneficiaries are urged to utilize their primary care clinic as a first line of defense. All five of Womack's primary care clinics have evening hours. Patients should first attempt to make a same day appointment at one of these clinics. If no appointments are available in the assigned clinic, the patient should seek an evaluation in the AMIC. Appointments may be booked by calling **907-APPT (2778)**, the

Womack appointment line, from 1600 - 2200 on weekdays, and 0700 to 2000 on weekends and holidays. Outside those times, persons may walk into the clinic, but using this option may result in longer wait times. For more information call your primary care clinic.
